

# I'll Always Be Right There

Michelle Branch

When you're all alone,  
And you need a light,  
Someone to guide you through the night,  
Just remember that I am here,  
To hold you close and dry your tears.

Oh-ooh

And just when you thought you were falling,  
But you know I'll always be right there.

When you're all alone,  
And you need a friend,  
Someone to help you to the end,  
When you need someone to catch you when you fall,  
I'll be there through it all.

Oh-oh

Just when you thought you were losing,  
But you know I'll always be right there.

I'll be there through the good times,  
And the bad,  
And we'll be there for each other,  
You're the best friend I ever had.

Oh-oooh

And just when you thought you were falling,  
But you know I'll always be right there.  
Oh-oooh whenever you need me,  
I'll always be right there.

I'll always be right there...
