

No One Knew Where We Were

Midlake

One gigantic heart
Just refused to start
And now that the world's behind me
I'll lay here quite joyfully

We went for a walk
To enjoy the day
Distracted by a bluebird
We looked the other way

Well, both of them
Struck both of us
Upside the head
It made us dead
And no one knew where we were

Face up in a field
Flowers at our heels
Quickly comfort finds us
And takes us away from here

Well, both of them
Struck both of us
Upside the head
It made us dead
And no one knew where we were

Well, both of them
Struck both of us
Upside the head
It made us dead
And no one knew where we were
No one knew where we were
