

# Midas Touch

Midnight Star

You say youre going through changes  
Every day it seems your life is up and down  
And you say that youre lookin for an answer  
Everywhere you look it seems you cant be found

Like searchin, tryin to find the rainbow  
No ones ever found it, yet its told to be  
But if youre lookin for a lover  
Everything you need, you can find right here with me

Ive got the Midas touch  
Everything I touch turns to gold, oh sugar  
Ive got the Midas touch  
Baby, let me touch your body and your soul

Now youve been trapped by love  
Someone takes your heart and then says goodbye  
So you say that youll never love another  
Tired of playin games and thats the reason why

But now whenever were together  
Theres a certain feelin, that we both agree  
And its time that youve opened up to love  
Cause if you dont ever try, then baby, you may never see

Ive got the Midas Touch  
Everything I touch turns to gold, yeah, darlin  
Ive got the Midas Touch  
Baby, let me touch your body and your soul

Together you and I were meant to be  
Ill be right beside whenever you need me  
This love we have will never fade away  
You can count on me cause I here to stay

Ive got the Midas Touch  
Everything I touch turns to gold, yeah, darlin  
Ive got the Midas Touch  
Baby, let me touch your body and your soul  
(Wont you do that for me?)

Ive got the Midas Touch  
Everything I touch turns to gold, oh, sugar  
Ive got the Midas Touch  
Baby, let me touch your body and your soul

Touch, touch, touch, touch  
The Midas touch  
Touch, touch, touch, touch, touch  
Touch, touch, touch, touch, touch

Together you and I were meant to be  
Ill be right beside whenever you need me  
This love we have will never fade away  
You can count on me cause I here to stay

Ive got the Midas Touch

Everything I touch turns to gold, its all in my hands  
Ive got the Midas Touch  
Baby, let me touch your body and your soul  
(Wont you do that for me?)

Ive got the Midas Touch  
Everything I touch turns to gold, yeah, baby  
Ive got the Midas Touch  
Baby, let me touch your body and your soul  
(Everything I touch)

Ive got the Midas Touch  
Everything I touch turns to gold, yeah, darlin  
Ive got the Midas Touch  
Baby, let me touch your body and your soul  
(Wont you let me touch you, baby?)

Ive got the Midas Touch  
Everything I touch turns to gold, yeah, darlin  
Ive got the Midas Touch  
Baby, let me touch your body and your soul
