She takes the rain Turns it to sun And my soul she fills it

Where once was a desert
Rivers now run
And my storm she stills it
She takes the rain (and turns it to sun)

She breathes the air

From a far country

This bond survives

Like a tall, tall tree

I close my eyes

And how far I sees...She takes the rain

She gives me hope
When there's nothing but pain
I can't explain it
Two different leaves
But the branche is the same
Forever let it be...She takes the rain

She breathes the air
From a far country
This bond survives
Like a tall, tall tree
I close my eyes
And how far I see...She takes the rain

She breathes the air,
From a far country
This bond survives,
like it's all told dream
I close my eyes,
And how far I see...She takes the rain
