

Man In The Rain

Mike Oldfield

You're the one who's nearly breaking my heart
Had your chance, you just threw it all away
Living in a world that you could never be a part of
And never time to walk away

R: You can't stay, no, you can't stay
You're no loser, there's still time to ride that train
And you must be on your way tonight
Think anew right through, you're a man in the rain

What's the use in hanging round these walls
Lamps are burning, but nobody's at home
There's a new day dawning as a cold rain falls
And now's the time to walk alone
R:

How's it feel when there's time to remember?
Branches bare, like the trees in November

Had it all, threw it all away
Now's the time to walk away
R:

How's it feel when there's time to remember?
Branches bare, like the trees in November

How's it feel when there's time to remember?
Branches bare, like the trees in November
R:

Threw it all away, threw it all away
And now's the time to walk away
R:
