To France

Mike Oldfield

Takin' on water, sailin' a restless sea From a memory, a fantasy The wind carries into white water

Far from the Islands Don't you know you're

Nev-er going to get to France Mary Queen of Chance will they find you Nev-er going to get to France Could a new romance ever bind you

Walkin' in foreign grounds like a shadow Roaming in far off territory Over your shoulder stories unfold You're searching for sanctuary you know you're

Never going to get to France...

I see a picture by the lamp's flicker Isn't it strange how dreams fade and shimmer?

Never going to get to France...
