

Morning Comes

Miles Kane

Listen up and settle down

Stop wondering what is right and what is wrong
That good feeling that beating heart
You had at the start

I never wanna see the morning come
I never wanna come down around to your way of thinking
Not now anyway
Not now anyway
I don't wanna see the morning come
I don't wanna ever come down around to your way of thinking
Not now anyway

Staring out on to old streets
Praying that this night won't ever end
Accompanied by a stranger
Lost in the excitement of it all

I never wanna see the morning come
I never wanna come down around to your way of thinking
Not now anyway
Not now anyway
I don't wanna see the morning come
I don't wanna ever come down around to your way of thinking
Not now anyway

I never wanna see the morning come
I never wanna come down around to your way of thinking
Not now anyway I don't wanna see the morning come
I don't wanna see the morning come
I don't wanna see the morning come
I don't wanna see the morning come
