

# Bring Me Down

Miranda Lambert

Sweet like a kiss, sharp like a razor blade  
I find you when I'm close to the bottom  
You can't appreciate the time it takes  
To kick a love I always knew was kind of wrong  
And as I'm putting out the flame  
Somebody brings up your name

Oh oh oh oh  
Baby baby baby bring me down  
I want to be right where you are  
Baby baby baby bring me down  
You can look me in the eye and break my heart  
Break my heart

Six AM unruffled pillow  
Laughs out loud at my trusting heart  
It's like I didn't see the penny  
I missed the fountain by a couple yards  
If you would only stay gone  
Maybe I could move on

Oh oh oh oh  
Baby baby baby bring me down  
I want to be right where you are  
Baby baby baby bring me down  
You can look me in the eye and break my heart  
Break my heart

Oh! Baby baby baby bring me down  
I want to be right where you are  
Baby baby baby bring me down  
You can look me in the eye and break my heart  
Break my heart

Oh! Baby baby baby bring me down  
I want to be right where you are  
Baby baby baby bring me down  
You can look me in the eye and break my heart  
Break my heart
