

Follow me

Miro Žbirka

You lift up my spirits
You shine on my soul
Whenever I'm empty
You make me feel whole
I can rely on you
to guide me through
any situation
You hold up a sign that reads
Follow me

You give me direction
You show me the way
You give me a reason
to face every day
I can depend on you
to send me to
any destination
You hold up a sign that reads
Follow me
Follow me

Down the track of loneliness
Down the path of love
Through the words of heartache to the end
On the shores of sorrow
where the waves of hope crash in
The perfect place for me to find a friend
Yeah yeah yeah
Oh oh oh
Yeah yeah yeah

You lead me to places
that I've never been
Uncovering secrets
that I've never seen
I can rely on you
to guide me through
any situation
You hold up a sign that reads
Follow me
Follow me
Follow me
Follow me
Follow me
Follow me
