## **Follow me**

Miro Žbirka

You lift up my spirits You shine on my soul Whenever I'm empty You make me feel whole I can rely on you to guide me through any situation You hold up a sign that reads Follow me

You give me direction You show me the way You give me a reason to face every day I can depend on you to send me to any destination You hold up a sign that reads Follow me Follow me

Down the track of loneliness Down the path of love Through the words of heartache to the end On the shores of sorrow where the waves of hope crash in The perfect place for me to find a friend Yeah yeah yeah Oh oh oh Yeah yeah yeah

You lead me to places that I've never been Uncovering secrets that I've never seen I can rely on you to guide me through any situation You hold up a sign that reads Follow me Follow me Follow me Follow me Follow me
