Oh qo Possession of the mind is a terrible thing It's a transformation with an urge to kill Not the body of a man from earth Not the face of the one you love, 'cause Well, I turned into a Martian Woah oh oh I can't even recall my name Woah oh oh Times I never hardly sleep at night Woah oh oh Well, I turned into a Martian today I walk down city streets On an unsuspecting human world Inhuman in your midst This world is mine to own, 'cause Well, I turned into a Martian Woah oh oh Well, I can't even recall my name Woah oh oh Times I never hardly sleep at night Woah oh oh Well, I turned into a Martian today Go go Well, I turned into a Martian Woah oh oh Well, I can't even recall my name Woah oh oh Times I never hardly sleep at night Woah oh oh Turned into a Martian Woah oh oh Can't even recall my name Oh, won't you tell me what the fuck is my name, Martian Woah oh oh Woah oh oh
