Do you hear me Do you care Do you hear me Do you care

My lips are moving and the sound's coming out
The words are audible but I have my doubts
That you realize what has been said
You look at me as if you're in a daze
It's like the feeling at the end of the page
When you realize you don't know what you just read

What are words for when no one listens anymore What are words for when no one listens What are words for when no one listens it's no use talkin at all

I might as well go up and talk to a wall 'cause all the words are having no effect at all It's a funny thing am I all alone

Something has to happen to change the direction What little filters through is giving you the wrong impression It's a sorry state I say to myself

What are words for when no one listens anymore What are words for when no one listens What are words for when no one listens it's no use talkin at all

Do you hear me Do you care Do you hear me Do you care

Let me get by
Over your dead body
Hope to see you soon
When will I know
Doors three feet wide with no locks open
Walking always backwards in the faces of strangers
Time could be my friend
But it's less than nowhere now
Less than nowhere now
Less than nowhere now
Now
Ow ow ow

Pursue it further and another thing you'll find Not only are they deaf and dumb they could be going blind and no one notices

I think I'll dye my hair blue

Media overload bombarding you with action It's getting near impossible to cause distraction Someone answer me before I pull out the plug

What are words for when no one listens anymore What are words for when no one listens

What are words for when no one listens it's no use talkin at all

What are words for when no one listens anymore What are words for when no one listens What are words for when no one listens it's no use talkin at all

Do you hear me Do you care Do you hear me Do you care Tell me what are words for Do you hear me Do you care Tell me what are words for Do you hear me So tell me what are words for Do you care So tell me what are words for  $% \left\{ 1\right\} =\left\{ 1$ Do you hear me Tell me what are words for So tell me what are words for Do you care So tell me what are words for Do you hear me Tell me what are words for So tell me what are words for
