

# As In The Days Of Noah

Misty Edwards

Time, time, is ticking by  
And I can feel an explosion inside  
And Time, time is ticking by  
And I can feel an explosion inside

As in the days of Noah  
As in the days of Noah

There will be drinking, marrying, laughing,  
As in the days of Noah  
What a fool, they say  
To build a boat on sand  
What a fool, they say.

As in the days of Noah  
What a fool, they say.

It's never rained before,  
It's never rained before,  
It's never rained before,

As in the days of Noah  
So it will be in the coming of the Son of Man

And what a fool, they say  
To fast and pray  
And what a fool, they say  
C'mon it's been two thousand years  
Do you really think He's coming?  
C'mon and just get real.

And remember this verse  
"And many, many scoffers will come"...

And when the rain starts falling  
It's too late, It's too late  
And when the rain starts falling  
It's too late, It's too late.

As in the days of Noah

"It's never rained before..."

One day, two days, three days gone by  
And time, time is ticking by  
And I can feel an explosion inside!

People get ready  
Jesus is coming  
"And many, many scoffers will rise in that day"  
And they'll say

"It's never rained before..."

'Rain rain go away, hide me from the wrath of the  
Lamb!' "

And when the rain starts falling  
It's too late.  
And when the rain starts falling  
It's too late  
And when the rain starts falling  
It's too late  
And when the rain starts falling  
It's too late
