

# What Only You Can Do

Misty Edwards

I'll take my cold, cold heart  
I'll take my unrenewed mind  
I'll take Your word in my hand  
And I'll give You time, to come and melt me

I can't even love You unless You call my name  
I can't even worship unless You anoint my heart  
I can't even want to unless You want me first  
So come fan the flame

Do what only You can do - Come fan the flame  
Do what only You can do - Come fan the flame  
Do what only You can do - Come fan the flame  
Do what only You can do

Just let my heart be alive  
Let me be living deep, deep on the inside  
Just let my heart be alive  
Let me be living deep, deep on the inside  
Come fan the flame
