MØ

When I'm up in the morning  
When I'm up at dawn  
I miss you  
When I'm up in the morning  
When I'm up at dawn  
I miss all yours

Have no cares in the world, have no fears, have no money, ah  
Live the life like we're rich, super rich, and the honey, ah (hey)  
What we had, was it good, I will always remember, ah  
And now we're changing direction, I'll never forget ya (hey)

I, I wanna elevate  
Wanna drive into the night  
You always going left  
And I'm always going right  
We, we gotta take a break  
And I promise it's alright  
It's your life

And it's all yours  
Dance, to the beat of your drum  
To the beat of your drum  
To the beat of your drum  
To the beat of your heart  
To the beat of your drum  
To the beat of your drum  
To the beat of your heart  
To the beat of your heart  
To the beat of your drum

If you know me then I'm here if you want it, ah (hey)  
Got my phone when you're low, got the pain in your stomach, ah (hey)  
Cause what we had, was it good, I will always remember, ah (hey)  
And now we're changing direction, I'll never forget ya  
Hella, hella, hella, hey

I, I wanna elevate  
Wanna drive into the night  
You always going left  
And I'm always going right
