Oh when you had the time to give  
Oh when I had a life to live  
But my mind was slow  
But my mind was slow

But my mind was slow [34x]

Oh when you had the time to give  
Oh when I had a life to live  
But my mind was slow  
But my mind was slow

Oh when you want, you want from me,  
Oh when you want, you want from me,  
But my mind was slow  
But my mind was slow  
Yeah

Oh when you had the time to give  
Oh when I had a life to live  
But my mind was slow
