

# Into the Blue

Moby

All alone, I open my eyes

Wild ride  
Hold your fire  
I'm not about to die  
Keep back  
Let in some air I dare lie down  
To stare at the sky

[Refrain:]  
I am wide open  
Reaching forever  
I fly into the blue  
I am wide open  
Reaching forever  
I fly into the blue

Flat mark  
High tide  
Frantic to stay afloat  
Stay calm  
Let in some air I dare lie down  
To stare at the sky

[Refrain]

From above  
I am so small  
So fast  
I move I move  
The light the light  
Here comes the tide

[Refrain]

With water surrounding me  
I am wide open  
Reaching forever  
And I fly into the blue  
Into the blue  
I am wide open  
I am wide open  
Reaching forever  
Reaching forever  
I fly  
I fly into the blue  
I am wide open  
I am wide open  
Reaching forever  
Reaching forever  
I fly into the blue  
Into the blue  
I am wide open  
I am wide open  
Reaching forever  
Reaching forever  
I fly into the blue

Into the blue ?
