One things for sure Well we got soul It's a jam for the ladies and the superstars I could leave the whole set but never go too far If you're from where-ever to where-ever you are Get yer jam, get it on Superstar Jam on If you're from where-ever to where-ever you are (MC Lyte, would you put it right) Everybody moves I paid my dues You pick and choose I stick and move Yes yes y'all It ain't gonna stop The ladies Keep rippin' the spot Now men what you heard 'Cause women are comin' up Keepin' it raw Sexy and rough Fly from the top To the bottom it's gonna be Cut 'em, gut 'em, we got 'em It's like the old leagues It's a jam for the ladies and the superstars I could leave the whole set but never go too far (Do it superstar) (Jam on, jam on) If you're from where-ever to where-ever you are (MC Lyte, do it right) You know I can't stand to be held back (it's so fly) And all the ladies y'all got my back yeah Even when we're solo in action We come together like six sets of jacksons For the ladies and a superstar Lyte leave the set but never go too far I toured the world but i'm rollin' it now

It's a jam for the ladies and the superstars
I could leave the whole set but never go too far

Jam for the ladies, we putting it down

Don't want my girl to brag, eve was holdin' it down

Snatchin' the crown 'cause we fend for high ground

(Jam for the ladies)
(Do it superstar)
