

Mistake

Moby

Don't speak to me this way
Don't ever let me say
Don't leave me again [2x]
I never felt this loss before
And the world is closing doors
I never wanted anything more
[2x]
Don't hug me this way
Don't touch me this way
Don't hug me again [2x]
Don't hug me this way
Don't touch me this way
Don't hug me this again [2x]
I never felt this loss before
And the world is closing doors
I never wanted anything more
Don't let me make the same mistake again
Please, don't let me make the same mistake again
Don't let me make the same mistake again
I never felt this loss before
And the world is closing doors
I never wanted anything more
Please, Don't let me make the same mistake again [2x]
