

Slipping Away

Moby

All that we needed was right
The treshhold is breaking tonight

Open to everything happy and sad
Seeking the good when it's all going bad

Seeing the sun when I can't really see
Hoping the sun will at least look at me

Focus on everything better today
All that I need and I never could say
Hold onto people they're slipping away
Hold onto this while it's slipping away

All that we needed tonight
Are people who love us and like
I know how it feels to need
Oh when we leave here the seas

Open to everything happy and sad
Seeking the good when it's all going bad
Seeing the sun when I can't really see
Hoping the sign will at least look at me

Focus on everything better today
All that I need and I never could say
Hold onto people they're slipping away
Hold onto this while it's slipping away

So long (so long)
So long (so long)

Open to everything happy and sad
Seeking the good when it's all going bad
Seeing the sun when I can't really see
Hoping the song will at least look at me

Focus on everything better today
All that I need and I never could say
Hold onto people they're slipping away
Hold onto people they're slipping away

Hold onto people they're slipping away
Hold onto people they're slipping away

Hold onto people they're slipping away
Hold onto people they're slipping away

Hold onto people they're slipping away
Hold onto people they're slipping away

Hold onto people they're slipping away
Hold onto people they're slipping away

Hold onto people they're slipping away
Hold onto people they're slipping away

Hold onto people they're slipping away
Hold onto people they're slipping away
