

## Might

## Modest Mouse

I might and you might  
But neither of us do  
And neither of us will

I broke every bone in my goddamn jaw  
That's a lot, it's the last one I ever got

I might and you might  
But neither of us do  
And neither of us will

Yesterday night I broke every bone in my jaw  
Thought so hard, it's the last thing I ever thought
