

# Leave My Mind

Modestep

Now I really cannot see  
If you were good for me at all  
I wanna say, that everything's fine  
But it's not, but it's not  
All the times you made me stay  
I see it all so clear today  
And I wish I could  
Turn back time, turn back time

If I had a choice  
I'd leave all behind  
If I had a choice  
I'd make you leave my mind  
Leave my mind  
The things you had me do  
Every time you knew I would  
I wanna say, that I was aware  
But I can't, but I can't  
All you tried to take away  
I see it all so clear today  
And I feel like a fool  
I let myself down, let myself down

If I had a choice  
I'd leave all behind  
If I had a choice  
I'd make you leave my mind  
Leave my mind

And you begged me to trust you  
I wish I never did  
And you begged me to trust you  
I wish I never did

If I had a choice  
I'd leave all behind  
If I had a choice  
I'd make you leave my mind  
Leave my mind
