

# Man On The Run

Molly Hatchet

I pack my bags  
Strappin' on a friend  
Make it lucky  
On this road that never ends

Swear I didn't do it  
The jury said I did  
Busted out of prison  
Ain't goin' back again

'Cause I'm a man  
Man on the run  
Livin' fast, runnin' hard  
Always under the gun  
Yes I'm a man on the run

Travelin' a little light  
I'm built for speed  
Leavin' no traces  
Of this mine fine lead

If you want to love me  
You better not wait  
'Cause if you blink your eyes, girl  
It'll be too late

'Cause I'm a man  
Man on the run  
Livin' fast, runnin' hard  
Always under the gun

Yes I'm a man  
Man on the run  
Livin' fast, runnin' hard  
Always under the gun  
'Cause I'm a man on the run

'Cause I'm a man  
Man on the run  
Livin' fast, runnin' hard  
Always under the gun

I'm a man  
Man on the run  
Livin' fast, runnin' hard  
Always under the gun  
'Cause I'm a man on the run

Man on the run  
Livin' fast, runnin' hard  
Always under the gun

I'm a man  
Man on the run  
Livin' fast, runnin' hard  
Always under the gun

Yes I'm a man  
Man on the run  
Yes I'm a man  
Man on the run

Yes I'm a man  
Man on the run  
Yes I'm a man  
Man on the run

Yes I'm a man  
Man on the run  
Yes I'm a man  
Man on the run

Yes I'm a man
