

# Ain't Nobody

Monica

Check it out.  
Yeah yeah yeah  
Naughty up in here  
(That's why I love you baby)  
Time to bring the ruckus with rap  
From the beginning till we're out  
(That's why I love you baby)  
Introducing Miss Thing Monica  
That's right representing A-T-L to Illtown  
(That's why I love you baby)  
Everybody get up out of your seats and fix your body  
For ain't nobody  
(That's why I love you baby)  
It goes like this!

You've been more than good to me  
Give me all that I could need  
There's a little thing you do, baby  
Never fight in front of your friends  
Take me ridin' in your Benz  
Spending time, let me know that I'm on your mind, baby

Because every time I say "I love you" it's with a pride  
And every time I say "I need you" it's from inside  
Because my heart is forever, the things you do  
You do just for me, that's why I love you baby

Ain't nobody gonna love you like I do  
Ain't nobody gonna treat you the way I treat you  
(That's why I love you baby)  
Ain't nobody ever loved me like you do  
Ain't nobody to compare to you  
That's why I love you baby

You think your lucky caught a quicky in a nap  
A hicky on your lap  
That's the payback for the scratches you left on my back  
You wouldn't need a toy-friend with a boyfriend  
Or somethin' proper if you slept under the thunder  
Keep my number I heard your next best is now ya next ex  
'Cause in the middle what a best sex you yelled "Treach"  
An' I ain't mad at 'cha yet  
What 'cha pimp daddy don't know won't hurt him.  
Who loves ya best?

Treat me like your young lady  
Special things you say to me  
Feels so good to be with you my baby  
Doesn't matter what they think  
'Cause I'm gonna be here anyway  
There's no need to feel ashamed because you're on my mind

And every time I say "I love you" it's with a pride  
And every time I say "I need you" it's from inside  
Because my heart is forever, the things you do  
You do just for me, that's why I love you baby

Ain't nobody gonna love you like I do  
Ain't nobody gonna treat you the way I treat you  
(That's why I love you baby)  
Ain't nobody ever loved me like you do  
Ain't nobody to compare to you  
That's why I love you baby  
(2x)

That's why I love you baby

I kinda want to turn ya Poverty to Paradise  
You say ya lonely, keep ya head up, honey where ya eyes?  
We can keep it on a low-down-down, I don't go down, I throw down  
He threw your clothes over the Rover, so where you gonna go now?  
Remember when I was like "Who you?", now you my boo-boo  
He be braggin' how he do you, so who you think he true to?  
Sue-Sue and you to, huh, Chi-Chi and Gigi  
Tellin' you he need you plus his baby momma need me  
But I'm gonna get between the love of this, I'll let him my keys  
Cry in my arms so you cry no more at last  
Feed ya body, I'll drive ya rush Audi  
So trust me hottie like there ain't nobody  
(That's why I love you baby)

Ain't nobody gonna love you like I do  
Ain't nobody gonna treat you the way I treat you  
(That's why I love you baby)  
Ain't nobody ever loved me like you do  
Ain't nobody to compare to you  
That's why I love you baby
