

Believing in Me

Monica

I apologize for what I've done
I admit that I was ruling control
Didn't know that I was selling my soul
To someone who didn't care at all
Couldn't see that you were bad for me
Gave so much that it was making me weak
Now I can't believe the way that it feels to finally be free

I've moved on
And I'm strong
I'm going back to the place
Where I know I belong
And I'm glad that your gone
Cause your not what I need
I'm believing in me
I've moved on
And I'm strong
I'm going back to the place
Where I know I belong
Cause I'm right
And your wrong
Cause your not what I need
This time I'm believing in me

The love I had for you was so deep
I didn't notice there was something wrong with me
When someone asked me was there anything I need
I would cry and tell them pray for me
But now I know exactly what it is
So I'm changing up the way that I live
I'm never letting go of my dreams and maybe you'll see

I've moved on
And I'm strong
I'm going back to the place
Where I know I belong
And I'm glad that your gone
Cause your not what I need
I'm believing in me
I've moved on
And I'm strong
Going back to the place
Where I know I belong
Cause I'm right and your wrong
Your not what I need
I'm finally believing in me

So I hope you can forgive me
I'm not gonna be the way I used to be
Starting over can be so scary
But I'm gonna believe
Promise I'm not gonna let me down
And my transformation starting right now
But I'm really glad you stuck around
Cause you believed in me

So I've moved on

And I'm strong
I'm going back to the place
Where I know I belong
And I'm glad that your gone
Cause your not what I need
I'm believing in me
I've moved on
And I'm strong
Going back to the place
Where I know I belong
Cause I'm right
And your wrong
You were not what I needed
I'm finally believing in me

Finally
Finally believing in me... me
