

Call My Name

Monica

A dream is a wish your heart makes when you're fast asleep.
A dream is a something something, some something something some
thing something, good night!
oh oh oh oh oh oh oh oh oooo
whoo oooo

This the time, when you tell the truth, tell the truth, don't tell these lies.
I know the real reason why you can't pick up that phone.
So what you talking bout, you left that shit at home, ohhhhhhh,
so baby.

Baby call my name out loud, if there is no around your house.
I know all your games, baby call my name out loud (Call my name
out loud and baby)
Baby call my name out loud, if there is no around your house.
I know all your games, baby call my name out loud (baby call my
name)

Now baby, don't be acting like, I'm just a friend, no fool.
Cause all them times we lay, you know that isn't true.
Say I'm not thinking straight, baby call my name out loud!

And then you texted and say, "my loves for you!"
But if I can't hear your voice, how the hell I know that's true
?!
Tired of all your games, won't you say my name out loud! Ohh Ba
