Here I Am

Monica

He don't love me like he used to
He don't hold me, he don't kiss me
Boy, my body's feelin' lonely
I can help you if I need to

So when he goes out with the boys to the club
I might hit you up like yeah, yeah, yeah
When he be dancing with that chick, I'm gon' be packin' up my
It'll be like, yeah, yeah, yeah, yeah

If you need to love somebody
Hey baby, let me be that body
Here I am, boy

If you need to love somebody
Hey baby, let me be that body
Here I am, boy

You can have me morning, noon and night
You can have me anytime you like

If you need to love somebody
Hey baby, let me be that body
Here I am, boy

Now boy, I ain't down for no cheatin'
Just look at you like my homie, my lover, my best friend
So boy, go 'head, get in it, go 'head and let me in
We can do some wonderful things, I promise I'll leave him

So when he goes out with the boys to the club
I might hit you up like, yeah, yeah, yeah
When he be dancing with that chick, I'm gon' be packin' up my
It'll be like, yeah, yeah, yeah, yeah

If you need to love somebody
Hey baby, let me be that body
Here I am, boy

If you need to love somebody
Hey baby, let me be that body
Here I am, boy

You can have me morning, noon and night
You can have me anytime you like

If you need to love somebody
Hey baby, let me be that body
Here I am, boy

Just know that I'm gon', gone and leave my man
Tryin' to put my hand up in your hand
I know that you can make my love come down

And I'm just not happy in this home
Please baby, don't take me wrong
I just want you to help me out

So why don't you come pick me up and take me to the crib
And do the things that I have told you he won't do
So now you know, baby boy, stop tripping
'Cause it is just me and you

If you need to love somebody
Hey baby, let me be that body
Here, I am, boy

If you need to love somebody
Hey baby, let me be that body
Here I am, boy

You can have me morning, noon and night
You can have me anytime you like, oh boy

If you need to love somebody
Hey baby, let me be that body
Here I am, alright
You can have me, baby
