

# Now I'm Gone

Monica

Monica baby, I'm sorry  
I know I was wrong, but I think we can work it out  
Just try to hear me out

Nah, you hear me out

I gave you so much love, but you had to play with my affections  
My heart was in your hands, but you had to play with all my feelings  
You got your mack on, but now I'm gone  
Cause I'd rather be all alone  
Away from all these silly games

I gave you no reason why  
Just said do your thing on the side  
But now I'm gone  
Cause it will never be the same

You were busy kicking it with your boys  
Instead of taking care of your girl  
But now I'm gone  
Gone away from you

I thought I knew you well  
But you ran away, didn't care about me  
You told so many lies  
Thought you could run away from this thing called reality  
But I'm long gone, I got to go on  
There's someone waiting for me  
To love me honestly

I gave you no reason why  
Just said do your thing on the side  
But now I'm gone  
Cause it will never be the same, yeah

Your were busy kicking it with your boys  
Instead of taking care of your girl  
But now I'm gone  
I'm gone away from you, oh my boy, hey

I gave you no reason why  
Just said do your thing on the side  
But now I'm gone  
Cause it will never be the same, naw

You were busy kicking it with your boys (You shoulda been taking care of you  
r girl)  
Instead of taking care of your girl  
But now I'm gone  
But now I'm gone, oh now I'm gone, now I'm gon' away from you  
You see, the things you did to me back then, I'm long gon' from it now  
Baby I gotta go my own way  
They say (they say)  
That you never (miss a good thing)  
Until it's gon' (Until it's gone away)
