

# Doing Fine

Monrose

It's been runnin round my head, runnin round my head  
Tryna find a way to forget it get it  
Baby it's just too close  
Baby you're still too close

Tryna look ahead, tryna look ahead  
Gotta a way to go before I can admit it  
Too close  
Baby you're still too close  
If you ask me how I feel

I say

I'm doing good, I'm doing fine  
Hoping this smile hides the pain that's inside  
I'm doing good, I'm doing fine  
Don't ask again 'cause I might break down and cry  
Am I ever ever gon forget it  
Don't wanna spend my life regretting  
I just wanna leave you behind  
I'm doing fine, fine, fine  
I'm doing fine, fine, fine  
Fi-i-i-i-ine

Got me pinned against the wall waiting for your call  
Better let it ring six times before

I pick it up you're too close  
Baby you're just too close

Don't wanna let you see what's inside of me  
Just incase you see the shape of my heart  
It's all twisted and broken  
If you ask me how I feel

I say

I'm doing good, I'm doing fine  
Hoping this smile hides the pain that's inside  
I'm doing good, I'm doing fine  
Don't ask again 'cause I might break down and cry  
Am I ever ever gon forget it  
Don't wanna spend my life regretting  
I just wanna leave you behind  
I'm doing fine, fine, fine  
I'm doing fine, fine, fine  
Fi-i-i-i-ine

Whoooo Whoooo Whoooo Whoooo  
Fine Fine Fine Fi-i-i-i-ine  
Whoooo Whoooo Whoooo Whoooo  
Fine Fine Fine Fi-i-i-i-ine

I'm doing good, I'm doing fine  
Hoping this smile hides the pain that's inside  
I'm doing good, I'm doing fine  
Don't ask again 'cause I might break down and cry

Am I ever ever gon forget it  
Don't wanna spend my life regretting  
I just wanna leave you behind  
I'm doing fine, fine, fine  
I'm doing fine, fine, fine  
Fi-i-i-i-ine

Ask me I say  
I'm doing fine
