What do I see
A thousand years of bullshit
Well, comin' down on me

Pump up your head kid

Slippin' into your house girl
What do I find
20 years of lies and confusion
Pourin' outta your mind

I'm gonna make you see yeah, yeah
That when you pick up your freedom
It ain't exactly free, yeah

Pump up your head kid
Make it cool, ah

When I woke up to another day
A world of flaming angels
Standing in my way

They can't judge me till they
Wear my shoes
And I'll be laughin' when they're
Singin' the blues

Singin' the blues, yeah
Singin' the blues
Singin' the blues, yeah
Singin' the blues

Singin' the blues, yeah
Singin' the blues, yeah
Singin' the blues
