

Dear Friend

Moony

Sometimes
When I feel blue
And it's so hard to see through
I'm sure
That I can count on you
Slowly close my eyes, all my memories fly
I've been screaming there for a little while

Dear friend,
Where are you going to?
Life treats us kind
You know we've got each other
Never be alone
'Cause I'll be there and I'll be there.

Dear friend,
Where are you going to?
Life treats us kind
You know we've got each other
Never be alone
'Cause I'll be there and I'll be there

Thank you
For being there
When I was sad and and unkind
All the things crowded up my mind
For supporting me
For forgiving me
For loving me
When I was wrong
When I was right...
