

The Sea

Morcheeba

Flocking to the sea
Crowds of people wait for me
Sea gulls scavenge Steal ice cream
Worries vanish Within my dream

I left my soul there, Down by the sea,
I lost control here Living free.

Fishing boats sail past the shore
No singing may-day any more
The sun is shining
The Water's clear
Just you and I walk along the pier

I left my soul there,
Down by the sea
I lost control here
Living free

I left my soul there,
Down by the sea
I lost control here
Living free

A cool breeze flows but mind the wasp
Some get stung it's worth the cost
I'd love to stay
The city calls me home
More hassles fuss and lies on the phone

I left my soul there,
Down by the sea
I lost control here
Living free

I left my soul there,
Down by the sea
I lost control here
Living free

I left my soul there,
Down by the sea
I lost control here
Living free

I left my soul there,
Down by the sea
I lost control with you,
And living, living,
And I, living, by the sea
