Flocking to the sea Crowds of people wait for me Sea gulls scavenge Steal ice cream Worries vanish Within my dream

I left my soul there, Down by the sea, I lost control here Living free.

Fishing boats sail past the shore
No singing may-day any more
The sun is shining
The Water's clear
Just you and I walk along the pier

I left my soul there, Down by the sea I lost control here Living free

I left my soul there, Down by the sea I lost control here Living free

A cool breeze flows but mind the wasp Some get stung it's worth the cost I'd love to stay The city calls me home More hassles fuss and lies on the phone

I left my soul there, Down by the sea I lost control here Living free

I left my soul there, Down by the sea I lost control here Living free

I left my soul there, Down by the sea I lost control here Living free

I left my soul there, Down by the sea I lost control with you, And living, living, And I, living, by the sea
