circumstances - know who'll fix you up on to the premises -just pass the loving cup in a dreamless slumber old intentions outnumbered climbing the tree,all but senselessly

come to neverland
dog star struck
come to neverland

hoping empathy will somehow heal the world dabbling in melancholy ,the wounded birds allure muses shadow casting an exile everlasting drawn laughing to the flame preoccupied with pain

come to neverland
dog star struck
come to neverland

come to neverland!
come to neverland!!
