

Fool Us Today

Mr. Big

They say it's not the money
You know it's not the money
Can you figure out what you want
What you need?
They try to pump it up, forget about the facts
Sometimes it hurts but it's never taken back
The left is right, the right is left
Oh yeah, I gotta get this thing right off my chest

R: Black, white and grey what can you do
What can you say?
How can they fool us today?
Hold your head up high, laugh till you cry
How can they fool us today

Talkin' twenty-four, seven. we're losin' what we're gettin'
They slap you down with a call from up above
It's a window to the world
A word to every man
Just gettin' it up, we'll all do what we can
They do it all for you, much better than the rest
Hey it's alright if you can pass the test

R:

It's all good new, we can buy and sell
Yeh! Don't stop now you can unring a bell

Black, white and grey what can you do
What can you say?
How can they fool us today?
Hold your head up high, laugh till you cry
How can they fool us today
Catch the falling sky, we're all gonna die anyway
How can they fool us today?
