

# Where The Sun Goes Down

Mr. President

You and me got to be where the sun goes down,  
Oh oh hey oh, oh oh oh  
You and me got to be where the sun goes down,  
Oh oh hey oh, oh oh oh  
Oh oh hey oh, oh oh oh

I'm in love again  
Easy to explain  
No more lonely days  
And lonely nights  
Can't forget the time  
Can't forget your smile  
No more lonely days  
And lonely nights  
Let's stop that rain for a while  
Get dressed in a holiday style

You and me got to be where the sun goes down,  
Oh oh hey oh, oh oh oh  
You and me got to be where the sun goes down,  
Oh oh hey oh, oh oh oh

There's no better place to fall in love  
Where the sun goes down  
You're the only one I'm dreaming of  
Where the sun goes down

Oh oh hey oh, oh oh oh  
Oh oh hey oh, oh oh oh

Hold me in your arms  
Make me feel so warm  
I don't wanna feel cold inside again  
Put your hands in mine  
Leave it all behind  
I don't wanna feel cold inside again  
You mke me feel my desire  
You set my body on fire
