

## Tell Another One

MU330

You put me in a tough spot assuming  
That I think just like you do I'm not your idiot  
Won't eat the racist crap you spew and you put  
Me in a rough spot, cuz I didn't really want to  
Walk all the way home, but I shoulda said something  
Instead I just sat there and got pissed  
You're such a racist piece of this is where I  
Say what a jerk you are, here's what I say  
What a jerk you are, Tell another one,  
tell another one I felt so spineless sitting in your backseat  
Biting my lip, I knew I should've said something  
But I didn't have the guts it eats me up  
This is what I say what a jerk you are (2x)  
The jokes you told you took 'em too far  
This is where I say what an ass you are (2x)  
I didn't have the guts that night in your car  
So this is where I say what an ass you are  
Tell another one, tell another one
