

# I Want You

Mugison

I want you  
just come on home  
i'll make things work  
i need you here  
i'm scared of being alone  
i is reaching this far  
and i don't wanna go there  
remember iiiiha

Oh oh oh....

Baby let's go dancing  
like we talked about  
i'll do the strange guy  
n' you can shout  
look at my weird boy  
he's one of a kind  
it makes me laugh  
and it makes me cry

This kind of love is hard to find

I want you  
and guess what  
i've shaved off my beard  
and why go  
and i need you here  
it's hmmm.. i could \*Be\* that boy  
that you hmmm..

Baby let's go dancing  
like we talked about  
i'll do the weird boy  
n' you can shout  
look at my weird boy  
he's one of a kind  
it makes me laugh  
and it makes me cry
