Mull Historical Society

The Mull Historical Society
Is here for you and me

You got to keep moving
If you're going to end up in our society
We're finding new ways
To reach out to everyone of you

Loosen, loosen your body
Loosen, from your point of view

You cannot be a loser
If you're going to join-up in our society
We need a new hall
To fill our membership of 2

Loosen, loosen your collar
Loosen, from your point of view

If you can't find
Your peace of mind
Then join us
The Mull Historical Society
Join up, with your point of view

We're finding new ways
To reach out to the brigades in the community
We're walking your dogs
So you cannot let us down

Come on and join us join us now
