

Blood Hunger

Municipal Waste

Searching for a virgin to sacrifice
These two are unfolding a tale
Resurrecting the unholy beast
To prepare for the Numerian feast
Patrons have no clue what they're fed
Left over limbs from the dead
This diner's feeding everyone
The special ingredient is blood
Cheerleaders are getting slaughtered
While their limbs are getting barrowed
Tongues are flopping on the floor
Collecting flesh till there's no more
Using body parts for the goddesses construction
To summon the great leader for the fucking earths destruction
