

You're Cut Off

Municipal Waste

You're cut off
Why can't I see?
You're cut off
One more round please?
You're cut off
All that I want
You're cut off
Just two more shots

Third freaking time this week
Someone tells me I can't drink
They don't seem to really get that I want a lot more

They don't really understand
That it's all part of my big plan
I like to consume until I'm carried out the door

You're cut off
Conspiracy!
You're cut off
You're all against me
You're cut off
What's this all for
You're cut off
This means war!

It always seems to end this way
Why's this place in disarray?
Is it cool if I just lay my head at the bar?

I guess some folks just can't relate
Or understand that I feel great
Just exactly who the hell do you think you are?

Don't you give me that down face
I'm just needing one more taste
I don't see a problem but it's mostly a blur

I'd really like to see you pour
Than being such a goddamn bore
I just have a lisp I swear my voice isn't slurred

You're cut off
Why can't I see?
You're cut off
One more round please?
You're cut off
All that I want
You're cut off
Just two more shots
