

Blood Stained Valentine

Murderdolls

You're like a bad, bad
movie on a Saturday night
and somehow I can't close my eyes
the demons were screaming you
and me were meant to be

You're like a car crash that I
can't look away
cheers to the dead with some
cheap champagne
put an arrow through my heart, I
swear I'll feel no pain

L.O.V.E. - I love the way
you possess me
the bloody evidence is left
at the crime scene

I could have bought you roses
or a diamond ring
that's just material things
this day I want you to be mine
I'm your blood stained valentine

You're like a bottle of poison
that I can't resist
connect the dots with a razor
blade on my wrist
and watch the blood as it drips
from my finger tips

L.O.V.E. - I love the way
you possess me
the bloody evidence is left
at the crime scene

I could have bought you roses
or a diamond ring
that's just material things
this day I want you to be mine
I'm your blood stained valentine
