```
declare this an emergency come on and spread a sense of urgency and pull us through and pull us through and this is the end this is the end of the world
```

it's time we saw a miracle come on it's time for something biblical to pull us through and pull us through and this is the end this is the end of the world

proclaim eternal victory
come on and change the course of history
and pull us through
and pull us through
and this is the end
this is the end of the world
