Ashamed

Muse

I know there's something that your dying to tell me
I hope it's not about it incase you love me

Make sure no one finds out
Tell me all about it
Don't keep it to yourself
'Cause I can't bear the thought

I'll never leave you quietly
I know you'll find me
It doesn't matter
'Cause I'm in control

I know that you're ashamed
So emotional that it kills you
Don't you know that you're ashamed
So emotional that it kills you

There's always something that makes you guilty
There's just something that you're dying to tell me

Make sure no one finds out
Tell me all about it
Don't keep it to yourself
'Cause I can't bear the thought

I'll never leave you quietly
I know that you'll find me
It doesn't matter
'Cause I'm in control

I know that you're ashamed
So emotional that it kills you
Don't you know that you're ashamed
So emotional that it kills you
