

# Eternally Missed

Muse

Chase your dreams away.  
Glass Needles in the hay.  
The sun forgives the clouds.  
You are my holy shroud.

Oh no no

I just don't care if its real.  
That won't change how it feels.  
I just don't care if its real  
That won't change how it feels

No it doesn't change.

And you can't resist  
making me feel  
eternally missed.

And you can't resist.  
And you can't resist  
Making me feel.

Chase your dreams away.  
Glass needles in the hay.  
The sun forgives the clouds.  
You are my holy shroud.

I just don't care if its real.  
That won't change how it feels.  
i just don't care if its real.  
That won't change how it feels.

No it doesn't change.

And you can't resist  
making me feel  
eternally missed.

You can't resist.  
You can't resist.  
Making me feel.

\*humming\*

You can't resist  
making me feel  
eternally missed.

You can't resist.  
You can't resist.  
Making me feel.

You can't resist  
making me feel  
eternally missed.

You can't resist.

You can't resist.  
Making me feel.
