

Shrinking Universe

Muse

Cast your eye tears on to me
And I'll show you what you really need
Give too much attention
And I'll reflect your imperfections

Can't you see it's over?
Because you're the god of a shrinking universe

Purposeless survival
Now there's nothing left to die for
So don't struggle to recognise
Now they call it "Heart-felt suicide"

Can't you see it's over?
Because you're the god of a shrinking universe

[Matt Bellamy's falsetto oooooooooooooooooooooooooowawao-ing]

Can't you see it's over?
Because you're the god of a shrinking universe.
