

Your warmth, your warmth,  
Is so deep,  
Your gaze,  
Beams a hole inside me

Controlling again  
Unseparated twins  
Controlling again

You've sucks  
All the breath out of me

You'll squeeze  
All the life out of me  
Controlling again  
Unseparated twins  
Controlling again

Controlling again  
Unseparated twins  
You'd rather be  
Come gentle, slowly,  
Gentle...
