

Unintended

Muse

1. You could be my unintended
Choice to live my life extended
You could be the one I'll always love
You could be the one who listens
To my deepest inquisitions
You could be the one I'll always love

- R: I'll be there, as soon as I can
But I'm busy, mending all the
Pieces of, the life I had before

2. First, there was the one who challenged
All my dreams and all my balance
She could never be as good as you
You could be my unintended
Choice to live my life extended
You should be the one I'll always love
