

Armistice

Mutemath

Out of time and out of inclinations, that we're in
How's it feel to watch a man relenting
Let's just say that I might be a sucker
The progress is all in how you cope in spite of no end

You don't have to say it, I know
It's all my fault
You don't have to worry, I know
It's how we are
You don't have to say it, I know
It's all my fault
The give and take is taking its toll

It's an honest work if I can stand up on it, maybe
we're
Not as far apart as it appears
Swallowing the blame is second nature, I got to
Keep on dealing my business my way

You don't have to say it, I know
It's all my fault
You don't have to worry, I know
It's how we are
You don't have to say it, I know
It's all my fault
The give and take is taking its toll

I I know (I know)
it's all (it's all)
My (my)
Fault
I
Will take the fall if it takes us somewhere
I I know (I know)
it's all (it's all)
My (my)
Fault
I
Will take the fall if it takes us somewhere

The give and take
The give and take
The give and take is taking its toll
The give and take
The give and take
The give and take is taking its toll

You don't have to say it, I know
It's all my fault
You don't have to worry, I won't
It falls apart
You don't have to say it, I know
It's all my fault
The give and take is taking its toll

You don't have to say it
You don't have to say it

You don't have to say it
You don't have to say it
