

Time Will Tell

MxPx

I know I'm on the edge of falling through the cracks
My strength is spent but I can't turn back
Nothing's gonna change the way I feel
Only time will tell
Only time will heal

FAILURE! CONFUSION! ANGER! REVOLUTION!

It's not hard to look back
It's hard to look ahead
It's weird to think
That someday I'll be dead
Anger and confusion I can understand
But failure, I just can't accept

FAILURE! CONFUSION! ANGER! REVOLUTION!
